Europe Online - World's First Broadband Internet Satellite Service

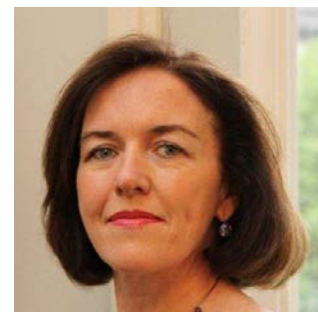

The screenshot shows the Europe Online website banner. At the top left is a logo with a globe and the text "EUROPE ONLINE®". To its right is the tagline "The Broadband Internet Company". On the far right is a "BROAD SHOP BAND" logo. Below these is a yellow navigation bar with links in various languages: Český, Deutsch, Español, Français, Italiano, Magyar, Polski, Português, Slovenský, and Türkçe. The main banner has a blue background. On the left is the "e-DSL via Satellite" logo. To its right is the text "Broadband Surfing and Downloads via Satellite" and "Everywhere in Europe, North Africa, the Middle East & Caucasus". Below this is a circular image of a person surfing. To the right of the image are the speeds: "EOL FastSurf up to 768 Kbits/s" and "EOL Turbo Download up to 2 Mbits/s". On the right side of the banner is a map of Europe with a satellite icon. At the bottom is a yellow bar with three sections: "The Fastest Surfing at up to 768 Kbits/s >>", "The Best Downloads, DVD's, MP3's, Games >>", and "The Biggest Choice from EOL's DSL Digital Library >>".
