

Disaster Risk Reduction through subsea network development

Planning

- Develop a Disaster Plan
 - Begin with What if? Analysis
 - For Each Scenario assign a Team Lead
 - Situational Response
 - Internal Contact Plan
 - External Contact Plan

Preparation

- Challenge Plan Attributes
 - Create Tabletop Scenarios
 - Tools and Response Equipment is in place
 - In working condition
 - Practice, Practice, Practice,

Readiness

- Vigilance
 - Check List
 - Primary and Secondary Responders
 - Hope for the best ... Prepare for the Worst

Conclusion

- Develop a Disaster Plan
- Practice Response
- Remain Ready

Are You Ready?
