Smoke Free Hawai‘i Law
Hilton Hawaiian Village® Smoking Policy

The law prohibits smoking, including e-cigarettes, in all “enclosed or partially enclosed” areas open to the public that include, but not limited to restrooms, lobbies, reception areas, hallways, bars, hotel rooms, balconies, restaurants, retail service establishments, and retail stores. A slight exemption is being made for hotels. The exemption clause says up to 20% of the rooms rented to guests in a hotel or motel may be designated as smoking rooms.

Guestrooms: As of November 16, 2006 smoking is prohibited in all Hilton Hawaiian Village guest rooms with the exception of some guest rooms on the 23-25 floors of Kalia Tower, where smoking on the balconies in those specific rooms will be permitted.

Beach: As of April 2013, smoking is prohibited on certain beaches and parks including Duke Kahanamoku Beach in front of Hilton Hawaiian Village.

Smoking for guests, including e-cigarettes, is prohibited everywhere on property at Hilton Hawaiian Village, except on the red areas designated on the map on the flip side of this page.
