

# Eurofiber

Andrea Kraus, CRO

## Fiberoptic network

**61,700 km**  
fiberoptic network

**23,100 km**  
unique trench length  
(Germany excluded)

**50 km**  
weekly expansion  
of our fiberoptic network

## Cloud infrastructure

**11**  
datacenters  
(of which 10 Tier 3)

**13,860 m<sup>2</sup>**  
floor capacity  
datacenters

**20.2 MVA**  
total power  
datacenters

**Fiber  
infrastructure is  
primary asset**

**Horizontal  
player**

**Open and  
accessible at  
several levels**

**Partner  
Imperative**

# Rapidly expanding in Western Europe
