WHAT TO EXPECT

PTC is a rich community, active every day of the year. Helping our members innovate and grow advances in our industry. Helping nations develop infrastructure that changes lives.

Business strategies, such as moving beyond ping, power, and pipe to profitably participate in the exploding digital economy

Business and partner development between startups, carriers, equipment and service providers, integrators, and academic institutions

Emerging technologies, such as SDN/NFV and optical satellites

Current issues, such as net neutrality, cybersecurity, and privacy

Public policy strategies and best practices, such as regulatory frameworks that balance the needs of consumers, businesses, carriers, and governments

Societal objectives, such as sustainability, women in leadership, and closing the digital divide by reaching the last billion

CONNECTIONS OPEN THE WORLD.
OPEN ACCESS. OPEN MINDS. OPEN DISCUSSIONS. OPEN MARKETS.

KEY REASONS TO JOIN

TELECOM
Mobile, wireline, subsea, satellite, and solar-powered drones.
